## The market

Every Tuesday, Thursday and Saturday, from 9am to 13pm.

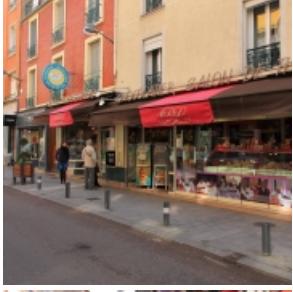

With ninety traders, the market of Enghien offers a wide variety of achalandages.

Cheese makers, butchers, greengrocers and also florists, stalls of clothes, shoes, accessories, jewelry visitors can perform a variety of purchase, both rudimentary and fun. The food shops offer high quality fresh products.

On clothing, shoes, bags or jewelry, it is common to find good deals and find the latest fashion trends. But the covered market is above all an atmosphere!

A unique place to live where purchase rhymes with conviviality. For active people who run all week, it even becomes a hobby on Saturday morning, a bracket where nonchalance is permitted and recommended for better wandering the aisles, amid the stalls. The market trend becomes an art of French living.

A return to tradition but also the authenticity of human relationships. Far from impersonal superstores, the customer market research contact with his small producer who can recognize and guide him in his choice. An anti-stress remedy highly recommended! advice.
