

Welcome to the first Casino of France, completely renovated in 2005, who designed an original atmosphere of the game, of fun and entertainment to offer you a unique experience based on the free movement between two distinct levels of play.

With its 487 slot machines, Casino Barrière d'Enghien-les-Bains offers a diverse range of slot machines: video poker, video-rolls with the latest generation of touch screens and Hollywood scenarios, and you provide entertainment and intense emotions (Mises between 1 percent and 10 €).

The casino is open also in the larger room games in France, with spacious rooms offering more than forty table games combining prestige and excitement around the English Roulette, French Roulette, Black Jack, Stud Poker, Chemin de Fer, Punto Banco and Texas Hold'em Poker.

Luxury table games, exclusive VIP lounges, lively atmosphere and unforgettable sensations in the world of slot machines, in Enghien-les-Bains, everything is permitted to entertain you with the most exciting casinos.

Two restaurants welcome you for a greedy break at the very heart of the Casino Barrière :

- Baccarat located on a lake, offers its customers a cuisine accessible and refined in the magical and exciting table games.
- The Pearl's restaurant and bar sparkles like a gem in the center of slot machines and makes sparks side cuisine with delicious side dishes a la plancha prepared under your eyes. Lounge music and friendly atmosphere are a must!
